Payschools Central Online meal applications

- *Paper applications are available upon request*
- If your family receives a Direct Certification letter in the mail please sign and return to have school fees waived. If you receive a letter DO NOT complete a free and reduced meals application.
- You must have your child's student ID number to complete the application.
- A new application must be completed every school year. There is a 30 day carryover period each year. If an application isn't received the student will automatically be changed to denied. An application can be completed any time of the school year.

Payschools Central online meal payments

- Add money to Food Service account using a debit or credit card
- If sending money to school with your child it must be in an envelope with their name and turned in to the teacher at the beginning of the day.

Online Menu

- www.myschoolmenus.com
- Free Mobile App available for Iphone and Android
